PROFILE SUMMARY

Entry-level Software Developer skilled in Java, Python, and C with hands-on experience in full-stack development and real-time applications. Strong in object-oriented programming (OOP), problem-solving, and building clean, maintainable code. Eager to contribute to innovative development teams and grow in dynamic tech environments.

EDUCATION

B.E in Computer Science and Engineering | CGPA : 8.7 December 2021-June 2025
Government Engineering College Mosale Hosahalli, Hassan

XII (Science) |Percentage : 90% July 2021
Girish PU College, Silishettyhalli, CR Patna, Hassan District

SSLC | Percentage : 85.72% April 2019
Padmavathi English Medium High School, Shravanabelagola, CR Patna Road,
Hassan District-573135

SKILLS

Programming Languages - Python, Java, JavaScript, C, PHP

Web Technologies - HTML, CSS, XML

Frameworks/Tools - Android Studio, MySQL, Git, GitHub, LaTeX

Soft Skills - Communication, Problem-Solving, Time Management, Team Collaboration

PROJECTS

Mobile App Development - Fitness Tracker Platform 2025

- Built a comprehensive fitness tracker app using Java for functionality and XML for UI layouts.

Database Web Applications - Beauty parlour management system. 2024

- Designed a responsive web-based Beauty Parlour Management System with SQL-based backend and PHP logic to manage appointments and customer data.

Image Processing Project - Motion detection 2024

- Built a real-time motion detection system using Python and OpenCV processed live webcam input to trigger alerts on movement.

Machine Learning Project - Rainfall Prediction 2023

- Implemented a rainfall prediction model using Python.

CERTIFICATIONS

Machine Learning(2024) - Successfully completed online training on Internshala.

Android App Development Training(2024) - under Internshala - certified in Mobile App Development

Python Training(2025) - Besant Technologies

Java Full Stack Development(2025) - Vstand4U solutions, Bangalore

INTERESTS AND HOBBIES

Technical - Artificial Intelligence, Full Stack Development, Exploring New Technologies

Non-Technical - Cooking, Carrom, Traveling, Mehndi Art
